

## **CURRICULUM VITAE**

**Linda Anne Hughes, M.D.**

**Home Address:**

100 South Birch Road, #2901  
Fort Lauderdale, Florida 33316  
Home (954) 765-5522  
Facsimile (954) 765-0705  
Cellular (954) 295-8840  
Email: lah@bellsouth.net

**Business Address:**

Unique Interventional Radiology Pompano  
2283 SW 2nd Street  
Pompano Beach, FL 33069  
Office (954) 884-8150  
Facsimile (954) 933-2896

**Work Experience:**

August 2018-Present

Medical Director  
Interventional Radiologist  
Unique Interventional Radiology Pompano  
2283 SW 2nd Street  
Pompano, FL 33069

June 2008-July 2018

Interventional Radiologist  
Broward Health  
North Broward Radiologists, PA  
1801 South Perimeter Road, Suite 180  
Fort Lauderdale, FL 33309

August 2007-April 2008

Interventional Radiologist  
Northwest Medical Center  
2801 N State Road 7  
Margate, FL 33063

September 2006–April 2008

Chief of Diagnostic and Interventional Radiology  
North Ridge Medical Center  
5757 N Dixie Highway  
Fort Lauderdale, FL 33334

August 2004–August 2006

Interventional Radiologist  
Radiology Associates of Hollywood  
Memorial Healthcare System  
9050 Pines Boulevard, Suite 200  
Pembroke Pines, FL 33024

August 2000-July 2004

Interventional Radiologist  
Cochief, Interventional Radiology  
Director, Non-Invasive Vascular Laboratory

Holy Cross Hospital  
4725 North Federal Highway  
Fort Lauderdale, FL 33308

October 1999-July 2000      Interventional Radiologist/Visiting Professor  
Miami Cardiac & Vascular Institute  
Baptist Hospital of Miami  
8900 North Kendall Drive  
Miami, FL 33176

July 1998-October 1999      Diagnostic and Interventional Radiologist  
Holy Cross Hospital  
4725 North Federal Highway  
Fort Lauderdale, FL 33308

**Education:**

M.D.	Boston University School of Medicine Boston, MA	09/1987 -06/1991
M.S.	Pharmacology, Massachusetts College of Pharmacy and Allied Health Sciences Boston, MA	06/1987 – 09/1981
B.A.	Biology, Wheaton College Norton, MA	09/1981 – 06/1985

**Post-Graduate Education:**

Fellowship	Miami Cardiac & Vascular Institute Vascular and Interventional Radiology Baptist Hospital of Miami, FL	07/1997- 06/1998
Residency	Department of Radiological Sciences Beth Israel Deaconess Medical Center Boston, MA	07/1993-06/1997
Research Fellowship	Department of Radiological Sciences, New England Deaconess Hospital, Boston, MA	07/1992-06/1993
Internship	Department of Medicine New England Deaconess Hospital, Boston, MA	07/1991-06/1992

**Academic Appointments:**

Voluntary Clinical Assistant Professor of Radiology University of Miami/Jackson Memorial Hospital	1999-2000
--	-----------

Miami, FL	
Voluntary Professor School of Biomedical Engineering Florida International University Miami, FL	1999-2001
Chief Resident Department of Radiological Sciences Beth Israel Deaconess Medical Center Boston, MA	1996-1997
Clinical Fellow Harvard Medical School, Boston, MA	1991-1997

**Licensure:**

Florida (Active)	1997
California (Active)	1996
Commonwealth of Massachusetts (Active)	1992

**Board Certification:**

CAQ in Cardiovascular/Interventional Radiology	1999
Diplomate, American Board of Radiology	1997

**Hospital Committee Service:**

Holy Cross Hospital Continuing Medical Education Committee	1998-1999
Miami Cardiac & Vascular Institute Peripheral Vascular Lab. Committee	1999-2000
Miami Cardiac & Vascular Institute Research Committee	1999-2000
Holy Cross Hospital Institutional Review Board	2001-2004
Memorial Regional Hospital Vascular Medicine Committee	2004-2006
North Ridge Medical Center Medical Executive Committee	2006-2008

**Honors and Awards:**

Dean's List, Wheaton College	1982-1985
Graduated Cum Laude from Wheaton College	1985
Honors on Senior Major Proficiency Exam	1985
Bradbury-White Scholarship (Awarded by Massachusetts College of Pharmacy for excellence in pharmacology)	1985
Julia F. Lange Fellowship (Alumnae scholarship awarded by Wheaton College for graduate study in Medicine or Biology)	1985
Rho Chi Pharmaceutical Honor Society, Psi Chapter	1986
Dean's Honor List, Massachusetts College of Pharmacy and	1986-1987

Allied Health Services	
Alpha Omega Alpha Honor Medical Society	1990
“Introduction to Research” Program	1995
RSNA/AUR/ARRS, Washington, DC	
Excellence In Health Care Awards	2011
South Florida Business Journal	

**Professional Society Memberships:**

1987-1997	American Medical Women’s Society
1987-Present	American Medical Association
1987-1997	Massachusetts Medical Society
1992-Present	Radiological Society of North America
1993-2000	American Roentgen Ray Society
1994-1997	American Association for Women Radiologists
1997-Present	South Florida Society of Vascular and Interventional Radiology
1999-Present	American College of Radiology
1999-Present	Society of Cardiovascular and Interventional Radiology
1999-2003	President, South Florida Society of Vascular/Interventional Radiology
2001-Present	Medical Advisory Committee, Gilda’s Club, South Florida Chapter
2001-2004	St. Luke Society for Physicians, South Florida Chapter, Steering Committee
2005-Present	Fort Lauderdale Surgical Society
2006-2008	North Ridge Medical Center Medical Executive Committee
2013-2015	Secretary, Fort Lauderdale Surgical Society
2015-2017	Treasurer, Fort Lauderdale Surgical Society
2017-Present	Vice President, Fort Lauderdale Surgical Society
2015-Present	Broward County Medical Association
2016-Present	Caducean Society of Greater Fort Lauderdale
2017-2019	Vice President, Fort Lauderdale Surgical Society
2019-Present	President, Fort Lauderdale Surgical Society

**Research:**

1. (Summer) Joslin Diabetes Center,  
Department of Data Management, Boston, MA  
Research Assistant: Cohort study of the effect of diethylstilbestrol in diabetic women.
- 1982-1984 (Summer) Chestnut Hill Consultants, Inc., Chestnut Hill, MA  
(Management consultant firm specializing in health care industry).  
Research Assistant: library research and administrative activities involving the delivery of health care services.
1983. Polymorphonuclear cell isolation: Development of methodology for polymorphonucleated isolation for in vitro study of leukotriene production.  
Under direction of Edmund Y. Tong, Ph.D.,

Professor of Biology, Department of Biology, Wheaton College, Norton, MA

1984. Arachidonic acid metabolites, inflammation, and corneal angiogenesis: Qualitative and quantitative analysis of prostaglandins E2 and F2a, and leukotrienes in corneal neovascularization post thermally induced inflammation.  
Under direction of Edmund Y. Tong, Ph.D.,  
Professor of Biology, Department of Biology, Wheaton College, Norton, MA
1987. Chronic Aspartame and its effects on blood pressure regulation: Assessment of the chronic consumption of aspartame and its metabolites on blood pressure regulation via the analysis of catecholamine release and adrenergic receptor sensitivity.  
Under direction of Timothy J. Maher, Ph.D.,  
Associate Professor and Chairman,  
Department of Pharmacology, Massachusetts College of Pharmacy, Boston, MA

### **Teaching Responsibilities:**

- 1984-1985 Biology and Chemistry Tutor, Cell Physiology  
Teaching Assistant, Wheaton College, Norton, MA
- 1985-1987 Biology Tutor, Proctor for undergraduate exams,  
Massachusetts College of Pharmacy, Boston, MA
1986. Graduate Teaching Assistant in Department of  
Chemistry and Physics, Chemistry Laboratory  
Instructor for Department of Nursing, Chemistry  
Tutor, Proctor for undergraduate Chemistry exams,  
Massachusetts College of Pharmacy, Boston, MA
- 1987-1989 Lecturer for graduate courses in Physiology and Pharmacology,  
Massachusetts College of Pharmacy, Boston, MA
- 1988-1989 ATLS course offered by American College of Surgeons  
Under direction of Mark Weinstein, M.D.  
Assisted physicians with practical skills of trauma  
Assessment/resuscitation Beth Israel Hospital, Boston, MA

### **Editorial Activities:**

- 1996-2004 Manuscript Reviewer  
Journal of Computed Axial Tomography

### **Publications:**

1. Hartnell GG, **Hughes LA**, Longmaid HE, Finn JP. Use of magnetic resonance angiography in the evaluation of pelvic vessels. **Br. J Radiology** 1993; 66:42-43.

2. Kane RA, **Hughes LA**, Cua EJ, Steele GD, Jenkins RL, Cady B. The impact of intraoperative ultrasound on surgery for liver neoplasms. **J Ultrasound Med.**, 1994; 13:1-6.
3. Ecklund KE, Hartnell GG, **Hughes LA**, Strokes KR, Finn JP, Longmaid HE. MR Angiography as the sole method for evaluating abdominal aortic aneurysms; correlation with conventional techniques and surgery. **Radiology** 1994; 192:345-350.
4. Hartnell GG, **Hughes LA**, Finn JP, Longmaid HE. Magnetic resonance angiography of the central chest veins: A new gold standard? **Chest** 1995; 107(4): 1053-1057.
5. Hartnell GG, **Hughes LA**, Longmaid HE, Finn JP. Body magnetic resonance angiography and its effect on the use of alternative imaging-experience in 1026 patients. **Br J Radiology** 1995; 68:375-378.
6. **Hughes LA**, Hartnell GG, Finn JP, Longmaid HE, Volpe J, Clouse ME. Time-of-flight MR angiography of the portal venous system: Value compared with other imaging procedures. **AJR** 1996; 166:375-375
7. Hartnell GG, **Hughes LA**, Ko JP, Cohen MA. Magnetic resonance imaging of pericardial constriction: comparison of cine MR angiography and spin-echo techniques. **Clinical Radiology** 1996; 51:268-272
8. Hartnell GG, Spence LD, **Hughes LA**, Cohen MC, Saouaf R. Buff B. Safety of MR in patients who have retained metallic materials following cardiac surgery. **AJR** 1997; 168:1157-1159.
9. Worthington-Kirsch RL, **Hughes LA**, Uterine artery embolization – vascular anatomic considerations and procedure techniques. **Uterine Fibroids – Embolization and other treatments**. Edited by Togas Tulandi, Cambridge University Press 2003; 83-90.
10. **Hughes LA**, Guest editor and case presentations. Cases in clinical focus, reports and expert commentary: Clinical cases in high-risk pulmonary embolism: the evolving role of thrombolytic therapy. Rogers Medical Intelligence Solutions, 2004.

#### **Presentations:**

1. Body magnetic resonance angiography: One year's experience of time-of-flight MRA  
79<sup>th</sup> Annual Scientific Assembly  
Radiological Society of North America  
Chicago, IL  
December, 1993
2. Metallic stents in malignant biliary obstruction: Experience with 75 patients  
1994 Inaugural World Congress of the International Hepato-Pancreatico-Biliary Association.  
Boston, MA  
June, 1994
3. MR imaging for the detection of pericardial thickening: Are all sequences created

- equal?, Comparison of cine and SE methods.  
80<sup>th</sup> Annual Scientific Assembly  
Radiological Society of North America  
Chicago, IL  
December, 1994
4. Legs for Life-SCVIR/PVD Screening Program  
Holy Cross Hospital  
Fort Lauderdale, FL  
September, 1998, 2000 and 2001
  5. The Role of the Interventional Radiologist in Diagnosing/Treating Peripheral Vascular Disease.  
Holy Cross Hospital, Fort Lauderdale, FL  
September, 1998
  6. Catheter Directed Venous Thrombolysis–Radiology Grand Rounds  
Beth Israel Deaconess Medical Center  
Harvard Medical School  
Boston, MA  
October, 1998
  7. The Role of the Radiologist/Mammography/Ultrasound – Aired on Channel 6 News Breast Awareness Month – speaker at program for high school students  
Holy Cross Hospital  
Fort Lauderdale, FL  
October, 1998
  8. Uterine Artery Embolization for Symptomatic Fibroids  
Women’s Executive Counsel of Broward County Health Seminar  
Holy Cross Hospital  
Fort Lauderdale, FL  
February, 1999
  9. Nonsurgical Management of Uterine Fibroids  
About Women by Women  
Holy Cross Hospital  
Fort Lauderdale, FL  
August, 1999
  10. Uterine Artery Embolization for Symptomatic Fibroids  
CME Lecture Obstetrics/Gynecology Department  
Holy Cross Hospital  
Fort Lauderdale, FL  
October, 1999
  11. International Symposium on Endovascular Therapy-Live case demonstration Mechanical Thrombectomy of arteriovenous hemodialysis fistula  
Miami, FL

- January, 2000
12. Uterine Artery Embolization  
South Florida Ultrasound Society  
Fort Lauderdale, FL  
January, 2000
  13. Uterine Artery Embolization  
Dinner with Doctor Community Medical Education  
Holy Cross Hospital  
Fort Lauderdale, FL  
November, 2000
  14. Fighting Compression Fractures with Vertebroplasty  
Dinner with Doctor Community Medical Education  
Holy Cross Hospital  
Fort Lauderdale, FL  
February, 2001
  15. Vertebroplasty Continuing Medical Education Rounds  
Holy Cross Hospital  
Fort Lauderdale, FL  
April, 2001
  16. Emerging Perspectives on Thrombolytic Therapy  
Fort Lauderdale, FL  
April, 2001
  17. Uterine Artery Embolization: A Nonsurgical Approach to the Treatment of Symptomatic Uterine Fibroids  
9th Annual Congress on Women's Health and Gender- Based Medicine  
Washington, DC.  
June, 2001
  18. Advanced Techniques in Uterine Fibroid Treatment  
Endosurgical & Endovascular Therapy 2001  
Hartford, CT  
June, 2001
  19. The Role of the Interventional Radiologist in your Medical Practice  
Fort Lauderdale, FL  
September, 2001
  20. Loving Your Legs for a Lifetime  
Dinner with Doctor Community Medical Education  
Holy Cross Hospital  
Fort Lauderdale, FL  
September, 2001

21. Peripheral Vascular Disease and the Interventional Radiologist  
“House Calls”- Public Cable Television Interview  
Holy Cross Hospital  
Fort Lauderdale, FL  
October, 2001
22. The Truth About Uterine Fibroids  
Holy Cross Hospital Special Lecture Series  
Fort Lauderdale, FL  
January, 2002
23. Treating Fractures Caused by Osteoporosis  
Dinner with Doctor Community Education Series  
Holy Cross Hospital  
Fort Lauderdale, FL  
January, 2002
24. Uterine Artery Embolization (UAE) for Uterine Fibroids  
West Boca Medical Center Obstetrics and Gynecology Quarterly Meeting  
Boca Raton, FL  
February, 2002
25. Uterine Artery Embolization  
Women’s Health 2002: Clinical Insights for the Practitioner  
Williamsburg, VA  
April, 2002
26. Loving Your Legs for a Lifetime  
Dinner with Doctor Community Education Series  
Holy Cross Hospital  
Fort Lauderdale, FL  
October, 2002
27. Interventional Radiology and the Intensive Care Patient  
American Association of Critical Care Nurses; Broward County Chapter  
Fort Lauderdale, FL  
January, 2003
28. Vertebroplasty: What, When, and for Whom?  
Women’s Health 2003: Clinical Insights for the Practitioner  
Williamsburg, VA  
April, 2003
29. Interventional Radiology: What is it and why should I care?  
For Women by Women Series/Tea at Lily’s  
Fort Lauderdale, FL  
August, 2003
30. Relief from Vascular Disease

- Dinner with Doctor Community Education Series  
 Holy Cross Hospital  
 Fort Lauderdale, FL  
 October, 2003
31. Something “Special” about Special Procedures: The New Age of Interventional Radiology  
 Practice Development Workshop  
 International Symposium on Endovascular Therapy  
 Miami, FL  
 January, 2004
  32. Radiofrequency Ablation: A Nonsurgical Approach to Malignancy  
 Captain’s Club of the Coral Ridge Yacht Club  
 Fort Lauderdale, FL  
 February, 2004
  33. Peripheral Vascular Disease: A Multidisciplinary Approach  
 Broward Podiatry Association  
 Fort Lauderdale, FL  
 March 2004
  34. Uterine Artery Embolization: Here to stay.  
 Broward County Nurse Practitioner Association  
 Hollywood, FL  
 February 2005
  35. Uterine Artery Embolization: What to Know Outside the Interventional Suite.  
 Southeast Florida Association of Vascular and Interventional Radiographers  
 Hollywood, FL  
 November 2005
  36. How Can You Mend a Broken Back: Is Vertebroplasty right for your patient?  
 Southeast Florida Association of Vascular and Interventional Radiographers  
 Hollywood, FL  
 April 2007
  37. Acute Compression Fractures: New Treatment Options  
 Fort Lauderdale Retired Physician Society  
 December 2007
  38. Uterine Fibroid Embolization: A Nonsurgical Alternative  
 Broward Health Community Outreach  
 Fort Lauderdale, FL  
 2008-2009
  39. What’s New in Embolization Techniques  
 Fort Lauderdale Surgical Society  
 Fort Lauderdale, FL  
 March 2009

40. Fibroids and Uterine Fibroid Embolization  
Broward County Alumnae Chapter  
Delta Sigma Theta Sorority, Inc.  
Fort Lauderdale, FL  
March 2009
41. Hemodialysis Access Management  
Continuing Education Course for Clinical Staff  
Fort Lauderdale, FL  
March 2009
42. The Role of Interventional Radiology in Podiatry  
South Florida Podiatry Association Quarterly Meeting  
Pompano Beach, FL  
March 2010
43. Uterine Fibroid Embolization: an Alternative to Hysterectomy  
Comcast Newsmakers Television Interview  
Fort Lauderdale, FL  
March 2010
44. Update on Minimally Invasive Techniques in the Treatment of Primary and  
Metastatic Hepatic Malignancy  
Broward Health and Moffit Cancer Center Symposium  
Fort Lauderdale, FL  
September 2010
45. Update On Thoracic and Abdominal Aneurysm Aortic Repair  
Fort Lauderdale Surgical Society  
Fort Lauderdale, FL  
March 2011
46. Peripheral Artery Disease  
Dateline Health  
Nova Southeastern University  
Fort Lauderdale, FL  
December 2011
47. Carotid Artery Disease:  
Treatment Options and Clinical Data Review  
Fort Lauderdale Surgical Society  
Fort Lauderdale, FL  
March 2012
48. Nonsurgical Option for Treating Symptomatic Uterine Fibroids  
First Ladies Relief Retreat: Community Health Talk  
Powerful Women of Purpose  
Plantation, FL  
April 2012
49. Osteoporosis: Diagnosis, Prevention, Complications and Treatment Options

- Broward Health Imperial Point Day for Women  
Fort Lauderdale, FL  
May 2012
50. Uterine Artery Embolization  
Dr. Ben Graber Gynecology Hour  
AM Radio 850  
Broward, Miami Dade, Palm Beach Counties, FL  
October 2012
  51. Cardiovascular Surgery and Interventional Radiology:  
Updates at Broward Health  
Dateline Health Anniversary Show 350  
Nova Southeastern University  
Fort Lauderdale, FL  
January 2013
  52. The Role of Interventional Radiology in the Management of Complex Colorectal Disease  
2017 Colorectal Symposium  
Westside Regional Medical Center  
Plantation, FL  
March 2017
  53. The Role of Interventional Radiology in Peritoneal Dialysis  
South Florida DaVita Home Dialysis Annual Summit  
Fort Lauderdale, FL  
November 2018
  54. The Role of Interventional Radiology in Chronic Kidney Disease  
Florida Renal Association 46th Annual Meeting  
Delray Beach, FL  
July 2019
  55. Interventional Radiology and Chronic Kidney Disease  
Davita Kidney Care Biannual Administrator Meeting  
Hollywood, FL  
July 2019

**Abstracts:**
